

# Erin Usini

As a kid I always wanted to be a dance teacher and share my passion for dance. I'm very grateful that I got to pursue my dream at the most amazing school on the northern beaches- Plie. I have been able to share that passion and challenge my kids to be the best dancers they can be whilst having fun and the outcome has been amazing as we have won countless national titles, eisteddfods and competitions. I pride myself in my students and always will!
